The Content of The Gospel

- *When* is Jesus talking about?
- Locking the Gospel in the past.

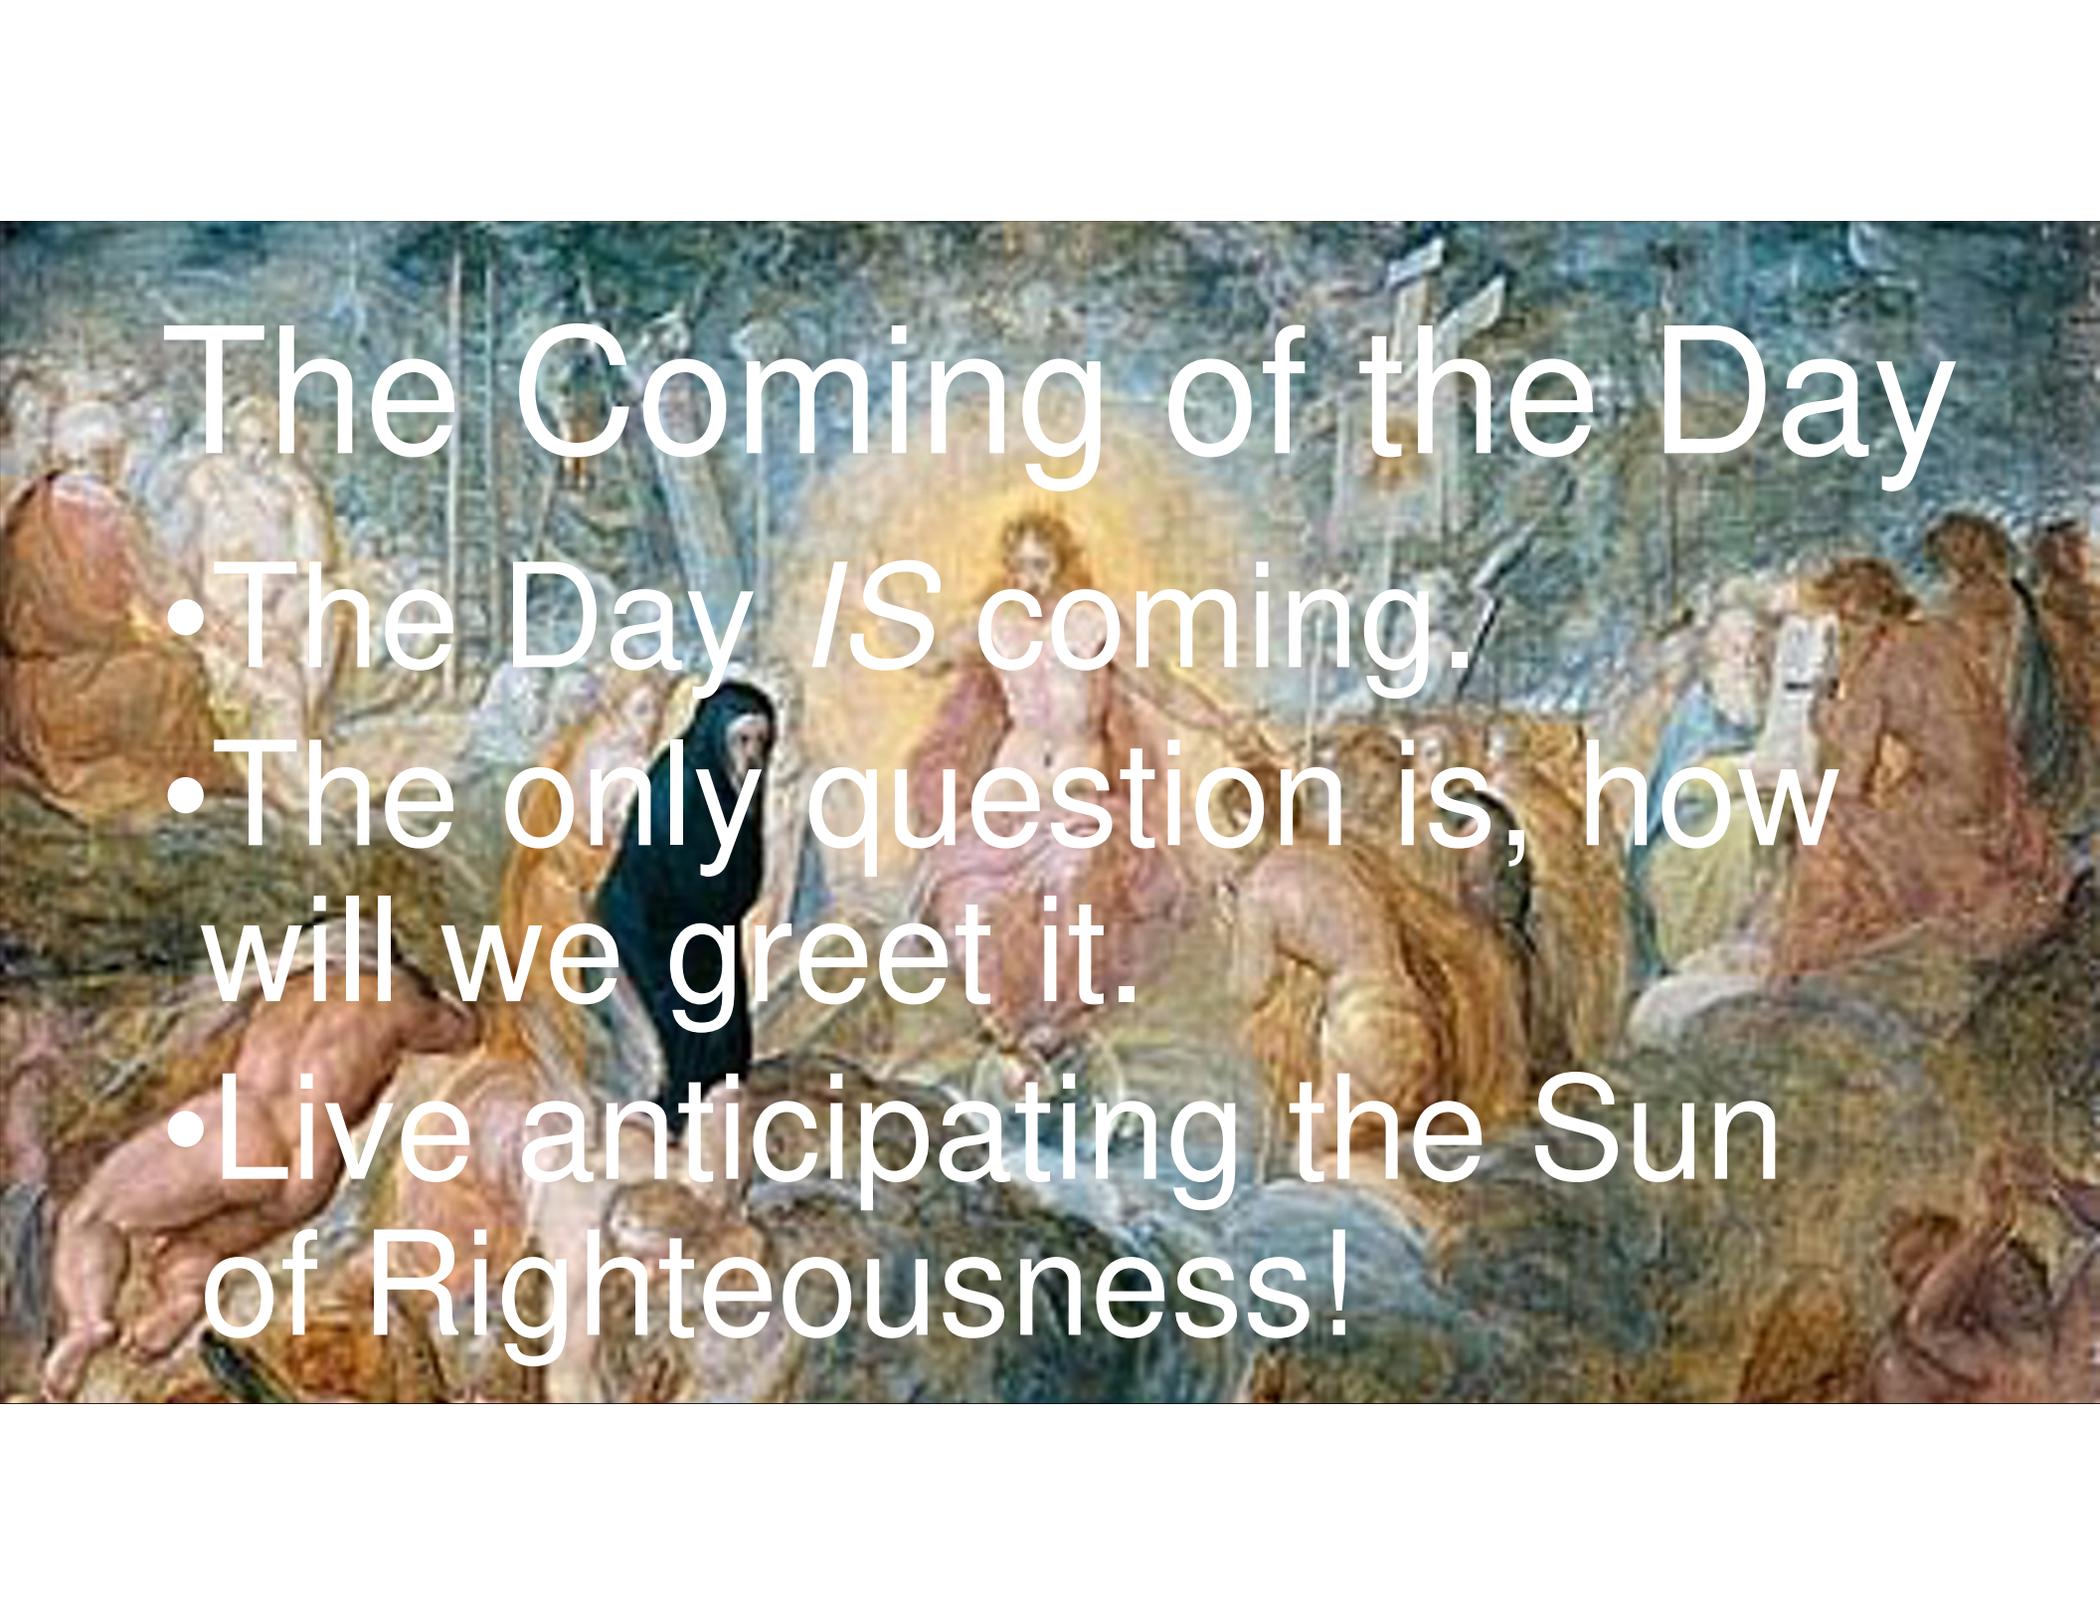

The Content of The Gospel

- Pushing the Gospel to the future.
- Removing the Gospel from the present.

From the Ascension of
Jesus until The Day,
suffering for the sake of
the Gospel *is* the normal
way of discipleship. We
are the exceptions.

The Coming of the Day

- The Day *IS* coming.
- The only question is, how will we greet it.
- Live anticipating the Sun of Righteousness!

Our Conduct in the Present

- Live quietly.
- Work diligently.
- Endure faithfully.
