

The image shows a field of tall, golden-brown grass, possibly a cereal crop like wheat or barley, in a late stage of growth. A central strip of the field is different, featuring lower-growing green plants with small white flowers, likely a cover crop or a different variety. The text "Fix This!" is overlaid in the center, suggesting a problem or a need for intervention in this specific area of the field.

Fix This!

Exhausted Patience

- Howard Beale is “Mad as”
- Impatient about the State of the World

Exhausted Patience

- Impatient about the State of the Church
- Impatient about the State of Ourselves
- Impatient with God

Life in the Kingdom

- The parable of the weeds
- The interpretation of the parable
- The kingdom in competition
- The end *will* come

Living in the Kingdom

- Live according to the Spirit!
- Suffering and Glory
- Groaning and Anticipation

Living in the Kingdom

- Patience and Hope
- Setting Things to Right
