God created us male and female and blessed humankind with the gift of companionship, the capacity to love, and the care and nurture of children.
We believe that marriage between a man and a woman is a biblical practice, affirmed by the following passages:

Genesis 2:23-24 ".... For this reason a man will leave his father and mother and be united to his wife, and they become one flesh."

Ephesians 5:31: "For this reason a man will leave his father and mother and be united to his wife, and they become one flesh."

Matthew 19:4-6: "Haven't you read," he replied, "that at the beginning the Creator 'made them male and female,' and said, 'For this reason a man will leave his father and mother and be united to his wife, and they become one flesh'? So, they are no longer two, but one. Therefore, what God has joined together, let man not separate."

Policy Statement:

St. Paul's is committed to ensuring that each employee and volunteer has the right to work in an environment that is free from discrimination and harassment as defined in the Human Rights Code of Manitoba (see appendix) and of abusive behaviour.

19.1 An employee who considers that he and she has been subjected to workplace discrimination, harassment or abuse is encouraged to seek the advise of his and her immediate supervisor or the Pastor/HR Chairperson, providing the supervisor or Pastor is not the subject of the complaint. On occasion, harassment can be dealt with directly and informally by confronting the harasser with a clear message that the attention or action at issue is unwanted. However, St. Paul's recognizes that there may be power imbalances and other factors (such as the nature or severity of the harassment) that make a confrontation awkward or impossible. Although resolution is encouraged where possible, confrontation is not a prerequisite to making a workplace harassment complaint under the policy.

19.2 Where any person has reasonable grounds to believe that he or she has been or is being harassed or abused by another person, the employee may forward a written complaint to any members of the Human Resource Committee. The Human Resource Committee will then begin a confidential investigation into the complaint and attempt to resolve the matter within 14 business days.

19.3 The Human Resources Committee will be responsible for ensuring that the complaint is investigated and the appropriate actions are taken. This may include:

- a) determine that no action should be taken;
- b) take any action that the Committee may feel is necessary

19.4 The individual complained of shall be entitled to notice of the complaint and shall be given the opportunity to respond to that complaint.

Policy Statement:

An employee has the right to complain about or grieve any unsatisfactory working condition to the Pastor/Human Resources Chairperson. Policy on Former Staff Being Elected to Council

This policy is designed to ensure a smooth transition in staff when there is staff turnover. In many non-profit sectors it is deemed to be 'best practices' to ensure that former staff members are not in a position to pursue personal agendas - in the process allowing for the possibility of a disruption to the governance procedures. It is the intention of the policy to facilitate as much communication and community building capacity as possible while at the same time ensuring that the opportunities for a former staff to interfere are limited.

Policy:

It is the policy of St. Paul's Evangelical Lutheran Church of Steinbach Inc. that former staff members shall wait until three calendar years have passed after the conclusion of their employment before they are eligible to be elected to the Congregational Council.

Protection Policy

St. Paul's Lutheran Church adopts current MNO Policies and Manitoba 's Act on the Protection of Children, Youth and Other Vulnerable Persons.

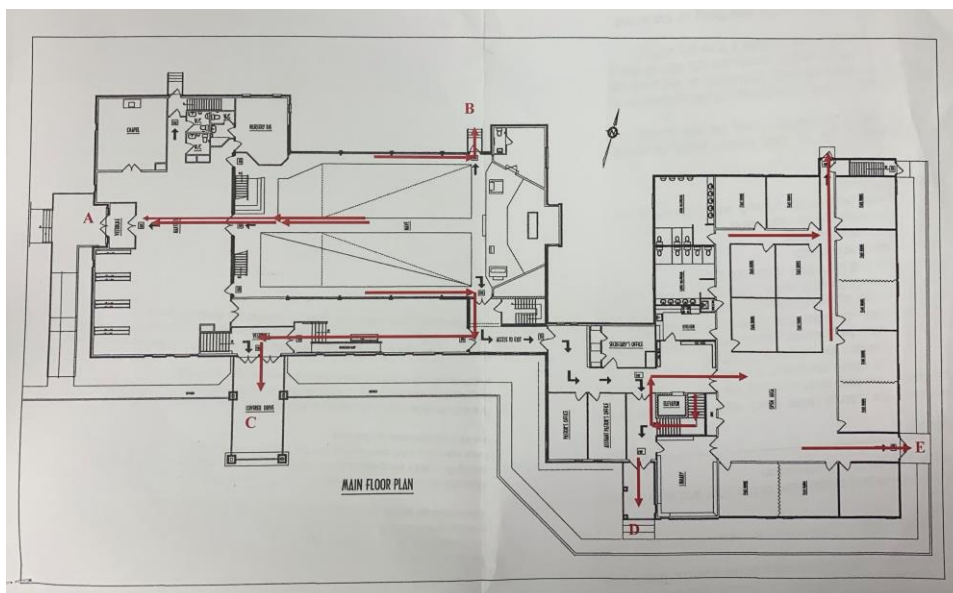

ST. PAUL'S EVACUATION PLAN - October 2017/2024

SANCTUARY EVACUATION

For the purposes of this document, usher is defined as **all** ushers; those on active duty as well as those off duty, but in attendance. Unassigned ushers will position themselves on ramps and, at exits to assist parishioners leaving building. If not sufficient numbers, council members become ushers.

- 1) Pastor will request upon start of alarm:
 - i) People remain seated until alarm status is confirmed
 - ii) Worshippers to take their lead from ushers
 - iii) Advise that the basement is being evacuated. Your children are being whisked to safety and will be out of the building before you are. **Do not attempt** to go downstairs as you will only impede their swift flow to safety.
- 2) PA Operator will call 911 to advise:
 - i) Alarm ringing at St. Paul's Lutheran Church, 465 Henry St., Steinbach MB.
 - ii) Request assistance.
 - iii) Operator will then position him/herself at the Henry St. door (A) to assist should evacuation be ordered.
- 3) The Deacon on duty assembles all attending ushers at front/centre of church and assigns their positions to prepare for evacuation. The Deacon assigns two council members to verify the cause of the alarm. Deacon then assigns ushers as follows:
 - a) One usher goes to the balcony to evacuate the attendees to the narthex. There they will stay unless further steps are required. If required, they will exit out the Henry Street doors (A) and into the parking lot. The usher will also evacuate the nursery, chapel and washrooms.
 - b) Two ushers will assume positions in the centre aisle at the rear pews. If further action is required, they will evacuate the Henry Street doors (A), starting with the rear pews and working their way towards the front. They will calmly advise evacuees to **not** pick up their coats, etc. but to evacuate straightaway.
 - c) One usher will station self at the left from exit (B). If further action is required, the usher will evacuate the left-hand pews, starting with the front and working towards the back.

- d) One usher will station self at the right front of the sanctuary. Should evacuation be required, the usher will evacuate the right-hand pews, starting with the front and working toward the back. Another usher will be assigned to a position just outside the sanctuary to guide evacuees down the ramp, and outside the new, covered entrance (C). The usher will calmly advise evacuees to **not** go to the narthex to pick up their coats, etc. but to evacuate straightaway.
- 4) When everyone is evacuated, the interior doors to the sanctuary and the exterior doors to the building are to be closed. Ushers that were posted at the exit doors should stay in close proximity to the doors to assure that none runs back into the building. Other ushers should go to the sites designated in the master plan for the congregation.
 - 5) Alternate routes may be required if an exit is blocked by fire or smoke. This may require having the entire congregation exit through either the main doors or the side doors. Keep everyone calm and moving quickly. Note: if smoke is heavy, have people crawl as the air is better close to the floor.
 - 6) Fire drills shall be held in the spring and in the fall at the end of the services. The congregation should be told in advance that nobody moves until they are ushered out and they are not to get up until ushers are on duty to help.
 - 7) The evacuation plan is to be posted beside the alarm panel box and main exits. Those investigating the fire have the responsibility to report the status to the ushers and at no time should the ushers leave their posts to seek out the status of the alarm.
